

ASSEMBLY BILL

No. 1797

Introduced by Assembly Member Bock

January 27, 2000

An act to amend Sections 102405 and 102415 of the Health and Safety Code, relating to vital statistics.

LEGISLATIVE COUNSEL'S DIGEST

AB 1797, as introduced, Bock. Vital records: alternative birth center.

Existing law requires that each live birth be registered with the local registrar of live births and deaths for the district in which the birth occurred. Existing law authorizes the administrator of a hospital to sign and register the birth certificate if the attending physician and surgeon, certified nurse midwife, or principal attendant is not available.

This bill also would authorize the administrator of an alternative birth center to sign and register live births under this provision.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
